### Speaker : Dr. Peter Hill

Dr Peter Hill is a Consultant Nephrologist at the Hammersmith Hospital part of Imperial College Healthcare NHS Trust. He qualified from UCL in 1995 and carried out his medical training across London and Oxford. Following a period of post graduate study with Professor Patrick Maxwell, he was appointed as a Consultant at The Hammersmith Hospital in 2007.

Dr Hill is the Head of Nephrology at Imperial College Healthcare. In this clinical practice, he has an interest in vascular calcification and metabolic bone disease in renal failure aside his specialist interest in genetic renal disease, polycystic kidney disease and how cancer therapy affects the kidney. He collaborates closely with The Royal Marsden Hospital and Institute of Cancer Research.

Dr Hill also heads up undergraduate nephrology education at Imperial College London and dedicates his time to research, and has published peer-reviewed articles in medical journals and has written chapters in medical text books.
